## **Ransohoff Unveils Revolutionary Washmaster MPW Mini Parts Washer at IMTS 2024**

*June 2024 – Cincinnati, Ohio*

Ransohoff, a division of Cleaning Technologies Group LLC, a renowned leader in innovative cleaning solutions, proudly unveils its latest marvel: the Washmaster MPW Mini Parts Washer. This state-of-the-art washer is engineered to provide easy access for maintenance, ensuring optimal uptime and efficiency. Its versatile design allows for cleaning on a flighted belt, catering to diverse manufacturing needs with ease. Moreover, its energy-efficient design not only enhances environmental sustainability but also saves on utility costs, making it a cost-effective choice for manufacturers.

Ransohoff is excited to announce that we will be exhibiting at IMTS 2024 from September 9 - 14, 2024, in Chicago, IL. You can find us in booth 338774 in the South Hall. We look forward to showcasing the Washmaster MPW Mini Parts Washer and discussing our innovative solutions with industry professionals.

Key Features of the Washmaster MPW Mini Parts Washer include:

**Easy Maintenance Access:** Designed for hassle-free maintenance, the Washmaster Mini Parts Washer (WMP) facilitates quick and convenient access, minimizing downtime and maximizing productivity.

**Versatile Processing:** Utilizing a flighted belt, the Washmaster Mini Parts Washer offers flexibility to accommodate various small parts, ensuring efficient and thorough cleaning and drying.

**Energy-Efficient Design:** With an emphasis on energy efficiency, the Washmaster Mini Parts Washer is engineered to optimize utility usage, reducing operational costs while minimizing environmental impact. Additionally, we are pleased to introduce our 3-2-1 Warranty, offering peace of mind and assurance of our product's quality and durability.

For more information about the Washmaster MPW Mini Parts Washer and other cutting-edge cleaning solutions, please visit [www.ctgclean.com](http://www.ctgclean.com). We invite you to experience the future of industrial cleaning at IMTS 2024!
